

LANDSCAPE & HUMAN WELL-BEING VALUES

AESTHETIC – I value this place for the scenery, sights, smells or sounds.

ECONOMIC – I value this place because it provides income and employment opportunities through industries such as forest products, mining, tourism, agriculture, shellfish, or other commercial activity.

ENVIRONMENTAL QUALITY – I value this place because it helps produce, preserve, and renew air, soil and water or it contributes to healthy habitats for plants and animals.

FREEDOM OF CHOICE & ACTION – I value this place because I have the opportunity to be able to achieve what an individual values doing and being while not hurting others.

FUTURE – I value this place because it allows future generations to know and experience it as it is now.

HEALTH – I value this place because it provides a place where I or others can feel better physically and/or mentally, and I have access to clean air, water, and food.

HERITAGE – I value this place because it has natural and human history that matters to me and it allows me to pass down the wisdom, knowledge, traditions, or way of life of my ancestors.

HOME – I value this place because it is my home and/or I live here.

INTRINSIC – I value this place just because it exists, no matter what I or others think about it or how it is used.

LEARNING – I value this place because it provides a place to learn about, teach or research the natural environment.

RECREATION – I value this place because it provides outdoor recreation opportunities or a place for my favorite recreation activities.

SOCIAL – I value this place because it provides opportunities for getting together with my friends and family or is part of my family's traditional activities. I value this place because there is social cohesion, mutual respect, and the ability to help others.

SPIRITUAL – I value this place because it is sacred, religious, or spiritually special to me.

SECURITY – I value this place because it provides personal safety, secure resource access, and security from disasters.

SUBSISTENCE – I value this place because it provides food and other products to sustain my life and that of my family.

WILDERNESS – I value this place because it is wild.
